## President's Corner

By Johnny Fogle

We want to thank each of you who helped at our Licensed Field Trial in February. This includes members and non-members. I can assure you, that chairing a licensed field trial or hunt test is much more than the work of a one-man-band. It takes the well-coordinated effort of at least a dozen individuals to make these events successful.

The spring has finally arrived and I'm sure not quite soon enough for most of us and our dogs. Can you believe the water is finally warm enough for our dogs. The club has two events left for the spring. Details are at the right.

- ◆ AKC Licensed Hunt Test - April 10-11, 2010
- ◆ Training Day - May 1, 2010 - We have all the grounds available for organized group training. We also have the club house. At this time, there will be no lunch available on the grounds. Bring your own and enjoy the shelter.
- ◆ Group Training - May 2, 2010

Hope to see all in April and May.

Sincerely  
PRC Officers & Board
