## President's Corner

By Johnny Fogle

On behalf of the Palmetto Retriever Club, we want to thank each and every member for their contributions and work during 2009. The club had two very successful hunt tests and two successful field trials. We also had three club trials with minimal participation.

At our board meeting on Sunday, January 17, the board decided to have a "first class" training day in May hopefully at H. Cooper black. The date depends on the availability of Cooper Black.

Information about the Annual Awards Day & Banquet is included in this newsletter. We hope to see you all on January 30.

Sincerely  
The Board
